

Talk the Talk

Attend this informative briefing and improve your communication techniques, obtain a better understanding of Temporary Flight Restrictions (TFRs) and the potential consequences of poor preflight planning. Featured speaker for this exciting presentation is FAASTeam Lead Representative and retired Boston TRACON Controller Bob Adelizzi. He will address pilot/controller communication responsibilities and TFR avoidance. Click on the link below and register TODAY.

Directions: Exit 7E or 7W off Route 3. Follow signs for the college. Turn onto Charron Ave, turn right on Pine Hill Rd. University Drive is the second right after the fire station. Take first left between the dorms and the athletic field (College Ave) and follow the road around to the right for parking. Eaton Richmond Building is to the right. Room 122 is on the ground floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
